VINTNER PARTICIPATION OPPORTUNITIES

# The Sun Valley Center for the Arts

## MISSION

The Center's mission is to enrich our community through transformative arts and educational experiences.

For 48 years, the Sun Valley Center for the Arts has offered diverse cultural experiences in the remote mountain setting of Sun Valley, Idaho. Striving to deliver the very best of Art and Ideas, The Center hosts countless world-class visual arts exhibitions; theatre productions; performances by some of the nation's finest musicians, vocalists and dancers; and lectures by award-winning authors and scholars. The Center's educational outreach benefits schools throughout Southern Idaho through artist residencies, field trips, in-school performances, and lectures.

The Sun Valley Center Wine Auction provides approximately 50% of The Center's annual income. It raises the essential funds for our Educational Outreach Programs which reach almost 4,000 student participants in schools across the Wood River Valley each year. The money raised during the Wine Auction enables The Center to continue to offer these programs free of charge to all students. In addition, the Wine Auction supports our annual Scholarship Program, now in its 21st year. Our Scholarship Program has awarded over \$880,000 to local high school students, college students and educators to pursue the study of arts and humanities outside of our valley.

The Center serves 24,000 people annually. 25% of participants are children, and 90% of programs offered to children are free of charge.

## WINE AUCTION EVENTS • JULY 17-20, 2019

### PIG ROAST

**WHAT:** The pig roast is an invitation-only welcome party for our vintners and special Wine Auction friends. The tradition began 30+ years ago and is a lovely way to start the weekend festivities.

**WHEN:** Wednesday, July 17 at 5:30 pm

**DESCRIPTION:** Each vintner is asked to bring a Magnum or two to share with the other participating vintners and top bidders from the previous year. You will receive a name tag and we ask that you pour your wine for each other and the VIP guests. This exclusive kick-off party is a casual outdoor setting with a roasted pig and incredible wines. The evening is a nice way to catch up with old friends and Wine Auction patrons. This is one of the most popular parties of the week.

**RECOMMENDED DONATION:**

One magnum to share

### VINTNER ADVENTURES

**WHAT:** Sun Valley is an outdoor playground and we want you to enjoy your time while you are here. All work and no play makes for a tired vintner. To that end, we offer 2 days of adventures for you and your families.

**WHEN:** July 18-19, 2019

**DESCRIPTION:** On Thursday, White Otter Adventures offers a white water day trip to north of Stanley, Idaho. Departure is at 8:00 am and you will return to the Valley by 3:00pm. Your family is welcome to join (ages 6+, please). Other activities include sport shooting or a gondola ride to the top of Bald Mountain.

On Friday there are opportunities for hiking and a relaxing day at the Zenergy pool. Zenergy Health Club is considered one of the premier health and fitness clubs in the country. All of these experiences are complementary and supported by our local vendors.

**Be our guest!**

## WINE AUCTION VINTER DINNERS

### VINTNER DINNER FEATURED WINERY

**WHAT:** Private Winemaker Dinners for premier package ticket holders. There are only 8–10 hosted dinners each year and dinners range in size from 24–36 attendees.

**WHEN:** Thursday, July 18, 2019 and start time is 6:00 pm. Vintners are asked to be on site by 5:45. Please make arrangements with your host if you need to be on site before 5:45.

**DESCRIPTION:** A Vintner Dinner is the crème de la crème of the weekend. Vintners present their wines at multi-course winemaker dinner for approximately 24-36. Hosted in private homes around Sun Valley, Vintner Dinners are offered to patrons who purchase package tickets for the Wine Auction weekend. Vintner dinners are highly sought after and will be awarded to wineries that participate at a high level throughout the entire weekend specifically with a live lot and with donated Gala wines. Two wineries pour at each dinner. Occasionally, a single vintner will pour at a dinner at the request of the host. When selecting vintners to pour at dinners, we also take into consideration the years of participation and contributions to The Center a winery has made. For the best patron experience we request that a winery owner, principal or winemaker be present at the vintner dinner and the Wine Auction Gala.

For more information or to apply for a Vintner Dinner, please contact Peter Burke, Wine Auction Director.

**DONATION:** Depends on size of dinner. Each vintner will pour up to three courses for 24-36 guests.

## WINE AUCTION LIVE & SILENT LOTS

### AUCTION LOTS

Live and Silent lots are part of a two-day showcase during the registration period at the Sun Valley Wine Auction. Each lot is displayed in the dining room at Dollar Mountain Lodge. Wines and marketing materials are displayed for patrons to view and to inspire bidding.

#### LIVE AUCTION LOT

**WHEN:** Auctioned on Friday, July 19 (on display July 19-20)

**DESCRIPTION:** Wine, travel packages, experiences and “items you cannot buy” are the most desirable items. Lots should be unique and geared toward wine experiences. Lots can be shared with two or more wineries to create a greater experience and reduce the overall commitment for smaller yet important wineries. Large format library wines and verticals coupled with hard to find experiences are always best sellers. Live Auction Lots traditionally sell between \$10,000 and \$60,000. We offer no more than 28 lots the night of the Gala. Live Lots will be showcased in a full page description in the auction catalog and on stage the night of the event. Vintners supporting the Live and Silent Auction will be promoted with digital support preceding the event. Vintners may be asked to join our auctioneer on stage.

#### SILENT AUCTION LOT

**WHEN:** On display July 18-19

**DESCRIPTION:** Winery visits and luncheons along with cases of wine and large format bottles are important to our silent auction. We traditionally sell out many of our Silent Auction items before the Gala begins due to the quality of items our vintners donate. Items are on display for two days prior to the event and well-marked with winery logos and marketing support materials. We use e-bidding to streamline the bidding process and create a bit of competition! 50-60 Silent Lots are offered. The Silent Auction is a great way to get your wines in front of patrons who love trying new wines. Average price point ranges between \$300 and \$5,000 per auction lot. Silent Lots are featured in ½ page descriptions in the auction catalog.

**DONATION:** We can work with you to create custom lots that will shine at the Auction.

#### TOP VINTNER LOTS FROM 2018

- A four-night stay for two in Nashville with **Phifer Pavitt Winery**, including exclusive nightclub access, tickets to the Nashville Pairings event, meals, museum tours, and a case of Phifer Pavitt to take home.
- Private air to Napa Valley, for a two-night stay for six at the Ink House. Private tour and tasting with Tor Kenward at **TOR Wines**, as well as a prized collection of rare TOR bottles

*Sun Valley Center for the Arts Wine Auction Gala*

**A Celebration of Wine, A Benefit for Arts and Education**

**WHAT:** The celebrated Wine Auction Gala is renowned for its fabulous entertainment, stellar cuisine, special winery-hosted tables and impressive auction lots. There are several ways to be involved in the unforgettable evening. Tickets sales are limited to 350 people, a majority of attendees are package ticket holders.

**WHEN:** Friday, July 19, 5pm

**Gala Wines:** Wines will be poured at the Wine Auction Gala. In addition to wines being placed on tables, wine stewards will roam the event and pour wines throughout the evening. Multiple varietals are encouraged and donation level should be no less than one case of wine. Special listing of Gala wines will be put into the Auction Catalog.

**Winery Hosted Table – 10 guests per table with 2 seats for winery representatives:**

Vintners are requested to provide two cases of wine that will be poured at your table and then shared around the room. Table hosts need to be present at the auction. A winery hosted table at the Gala is well marked with the winery logo. Winery representatives at the table should be winemakers, proprietors and/or owners. **Winery hosted tables are limited and priority consideration will be given to Live Lot donors and wineries that pour at a Vintner Dinner.** Winery hosted tables will be highlighted in the Auction Catalog.

**Reception Wines:** Two to three Vintners are selected to pour one varietal each for the Gala Reception, from 5–6pm.

## **BUBBLY SPONSOR**

**WHEN:** Friday, July 19 & Saturday, July 20

**DESCRIPTION:** As guests arrive at the Auction Gala they are greeted with a glass of bubbly. The next day the winners of auction lots from the night before have the opportunity to attend a special brunch where they get to enjoy a glass of bubbly to help start the day. The bubbly sponsor will be named on all print materials and highlighted as the category sponsor. This supplier is traditionally a high-end supplier of Champagne or bubbles. Bottles are opened and served as guests arrive at the Gala and then again at the Winners Brunch. We encourage the bubbly sponsor to participate with an Auction Lot to support their product.

**DONATION:** 350 people at Gala, 60 people at Brunch

## **TRADE TASTING LIMITED TO 30 WINERIES**

**WHEN:** Saturday, July 20, noon–1:30pm

**DESCRIPTION:** This early tasting is for trade representatives, allowing wineries to have adequate face time with wine buyers and servers in our valley and beyond. Wineries and distributors must indicate on the registration forms whether they want to participate in this event, and will need to plan their wine donations according to what they want to feature and pour for this audience. We recommend 2-3 bottles per varietal. A winery may only participate in the trade tasting if a case of wine is donated for the Vine & Dine.

**DONATION:** 2-3 bottles per varietal, 200 people attending

# *Sun Valley Center for the Arts* **WINE AUCTION EVENTS**

Attendees receive complimentary stemmed Riedel glasses at this traditional format tasting. The Vine & Dine Plus offers patrons an opportunity to connect with vintners, while providing the wineries the opportunity to share their special selections with an enthusiastic audience.

**DONATION:** 6 – 8 bottles per varietal. We request wineries participating in the Vine & Dine Plus consider donating wines to the outdoor Vine & Dine event as well.
