Your Fantastic Elastic Brain by Joann Deak

What Does it Mean to Be Present? By Rana DiOrio

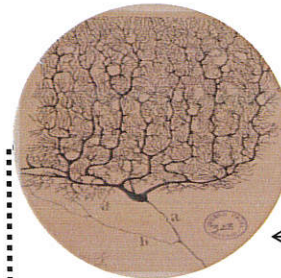

Eye Spy and Magic Eye books

"THE BRAIN" YOUNG VISITOR'S GUIDE

What materials did this artist use?

What do you see up close that you don't from far away?

What words describe these two artworks?

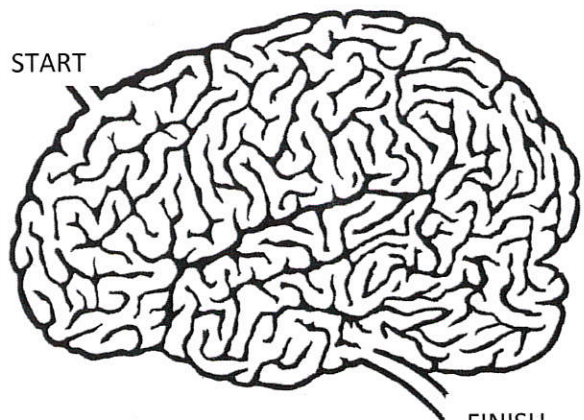

Which artwork looks more REALISTIC to you?

Why?

Challenge your brain by completing this maze:

START

FINISH

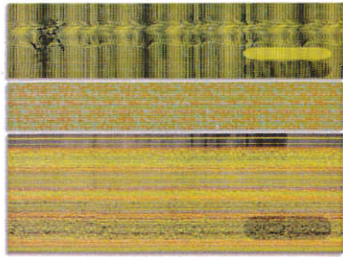

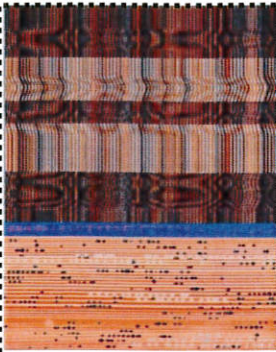

Exercise your brain by writing your name with the hand you don't normally write with.

Now try writing it BACKWARDS!

What are you thinking about right now?

IMAGINE you could plug headphones into these paintings. What do you think they would sound like?

Can you find an artwork that explores MEMORY?

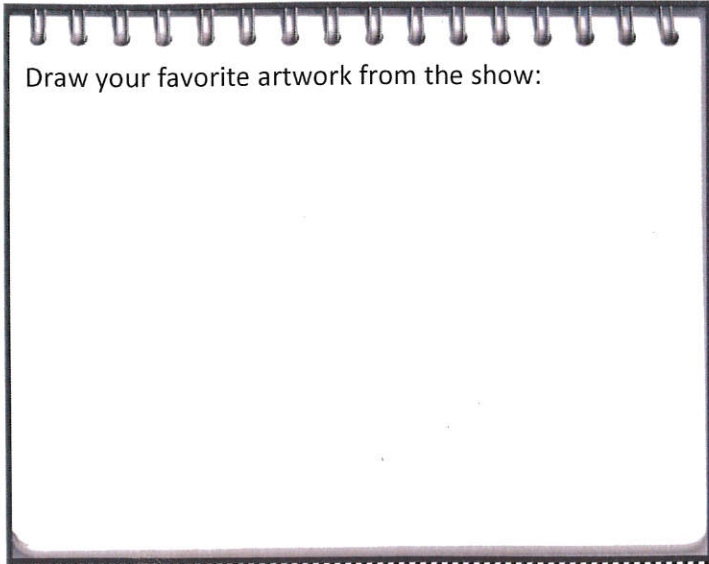

Yes No

Write the artist's name here:

Write or draw a happy memory here:

Brain Joke: What did the doctor say to the man who had an elephant sitting on his brain?
Answer: "Looks like you have a lot on your mind."

Draw your favorite artwork from the show:

The name of the artwork is:

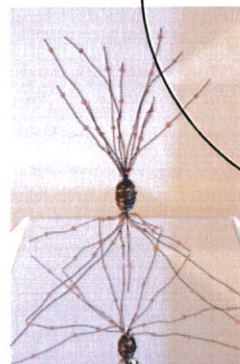

What would you name it?

Different

Compare these artworks. List how they are different and the same.

Same

"You have brains in your head. You have feet in your shoes. You can steer yourself any direction you choose." —Dr. Seuss
